HAVING publish'd a Catalogue of all the
Common and Statute LAW BOOKS
of this Realm, with an Account of their
several EDITIONS, DATES, and
PRICES, which, meeting with uncommon Ap-
probation and Success, encouraged me to attempt the
following ENGLISH TOPOGRAPHICAL
LIST; wherein I have spared no Pains or Care
to render it acceptable. The Method is easy,
being Alphabetical, either of the Authors Names,
or Principal Titles of those Books, where no
Author's Name is prefix'd. I have also taken
notice of the various Editions, the Times when
printed, and wherein they differ. To which is
added a Table of the Places described.
